

Billing Support Guide

1. Subscription Plans & Pricing

We offer four subscription tiers: Free, Professional, Enterprise, and Custom. The Free plan includes basic features. Professional (\$29/month) adds advanced analytics and priority support. Enterprise (\$99/month) includes dedicated account manager. Custom plans available for large organizations with unique requirements.

Plan Comparison:

Feature	Free	Professional	Enterprise
Users	1	Up to 10	Unlimited
Storage	5GB	500GB	1TB+
Support	Email	Priority	Dedicated
API Access	Limited	Full	Full
Custom Branding	No	Yes	Yes

Billing Cycles:

Monthly billing is charged on the same date each month. Annual billing (prepaid) offers 20% discount with auto-renewal. You receive invoices 5 days before renewal. Cancel anytime with no early termination fees.

2. Payments & Invoicing

We accept all major credit cards (Visa, Mastercard, Amex), PayPal, and bank transfers for Enterprise customers. Your payment information is encrypted and never stored on our servers. PCI compliance is fully maintained.

Invoice Management:

Download invoices anytime from your billing dashboard. Invoices are issued automatically after payment. All invoices include itemized charges, tax information, and payment date. For accounting purposes, request custom invoicing from support.

Failed Payments:

If a payment fails, you'll receive email notifications. Update your payment method within 7 days to avoid service suspension. We retry failed payments after 3 days. If retry fails, your account will be downgraded to Free plan. Contact support for payment assistance.

Refund Policy:

We offer 30-day money-back guarantee if you're not satisfied. Refunds are processed within 5-7 business days to your original payment method. Partial refunds available for unused months (pro-rata basis). No refunds on annual plans after 30 days.

3. Plan Changes & Downgrades

Upgrade or downgrade your plan anytime from settings. Upgrades take effect immediately with prorated charges. Downgrades apply at the next billing cycle. No downtime during plan transitions.

Tax Information:

Provide your tax ID or VAT number in billing settings for tax-exempt invoices. Applicable taxes are calculated at checkout based on location. For US customers, sales tax applies. EU customers may qualify for VAT relief with valid documentation.
